

ST. BASIL'S YOUTH DANCE GROUP

Yassou Welcome!

Our dance group is made up of Youths ages 5-17.

We have performed at Nursing Homes, Schools, and Churches,
as well as being invited to the annual

Festival of Nations, Tulip Fest, First Night,
as well as at the EGG here in Albany!

We look forward to sharing with our local communities
the beautiful traditions and customs of Greece.

The dances we perform are from all over Greece and are presented in
authentic costumes from the regions the dances are from.

Although we perform throughout the year at various community events,
our annual Grecian Festival, the first weekend in June,
is truly where you will experience Greek Culture.

We encourage everyone to come and
join us for an experience you are not likely to forget!
The sights, sounds and flavors of Greece come to the
Capital District for three days every year!

For more information on the group or the festival, please contact
